

SILVER TAPICON 2025

GENERAL BODY MEETING (09/11/2025)

Resolution accepted by members present in GBM.

1. From today to next TAPICON , API TSB will observe SILVER JUBILEE YEAR. In accordance with Central API, our focus also will concentrate on Public health related activities and Research activities. First initiative will be starting Free API clinic at API House on or around 23/12/2025(Physician Day)
2. Planning to organize satellite CME .Proposed places are KUMARGHAT, MAHARANI,BOXONAGAR, TELIAMURA. First one at KUMARGHAT in March ,2026 .Making Callender list of Rural health camps at different places and collect relevant data. Sharing these health related data with Govt. agencies so that API should have importance in policy making by Health Dept.
3. Monthly academic DAY TIME CME at Medical college level by rotation to improve cohesiveness and exposure among students and faculties from FEBRUARY ,2026.
4. Aggressive social media presence and campaign.
5. Within one month two wing with present members will be formed. Academic wing and Research wing. Academic wing will arrange , conduct our evening CME alternate month (second Sunday).only invitation letter will be issued by Secretary.
6. Inauguration of API HOUSE already done by our National API president. By next year will try to complete construction work .
7. Every year in TAPICON we will continue to present LIFE TIME ACHIEVEMENT AWARD,API oration, Young doctors session.

Next year TAPICON date finalized ,12 th and 13 th December,2026.This year committee members remain same. Next year there will be change .Next TAPICICON scientific committee chairman will be PROF DR MUKUT ROY.
